5. You acknowledge that the Service is not responsible for any damage or abuse that results from a payment by credit card or consequence.
6. The Service Provider excludes liability for any loss or damage caused by the purchaser, the event organizer, or a third party contract or unlawful act or omission.

#### X. Rules concerning the Event

1. The event advertised in the proper conduct of the Event Organizer obligation. Name and other identification data of the Event Organizer in front of the entrance fee. You acknowledge that the Service does not take any responsibility for events to keep visitors in the entrance ticket purchased and the artists, athletes etc on acting his performance and the quality of participation, managing, maintaining connection with the event. In connection with participation in this event and relationship service obligation is created between the person presenting the ticket and event organizer. This relationship is determined by regulations in the event, and the Event Organizer's official website. The Service should not be a party to any dispute between the event organizer and the purchaser (or owner of the ticket at all times), which will be launched due to insufficient or lack of quality of the program of events. Policies institution for the conditions of participation, the event or the event venue and events may vary significantly as per show. These rules of the Event Organizer is entitled to lay down, so the customer can inquire about these rules from the Rendezvényszervezőtől.
2. The Ticket freely transferable - except if the event organizer provided otherwise (in this case, the event's profile contains rules in this regard). The Buyer declares that the tickets can only pass it to another person if the new ticket holders accepted the Terms and Conditions of Service st.
3. If the price of admission else is indicated, the entrance fee entitles its felmutatóját, one person stated on the ticket to enter the Event once. Lost, damaged, there is no possibility to replace destroyed Ticket.
4. It is indicative of the actual start date of the start date indicated Admission Ticket may vary.

5. Depending on the type of Admission may include analog and digital security solutions that protect the tickets against forgery. If the Service Provider, the event organizer or event contributing venue security service detects that the price of admission to the safety signs are damaged, believed to discover signs of incomplete, on intentional damage or be reproduced, is considered copied it, the Ticket felmutatójától refuse entry to the Event and urge them to leave the territory of the event. Customer can not oppose the Service for any claim for damages due to such ban was justified.
6. Certain Tickets entitle them to only certain users to access the circle (children's ticket, senior ticket, professional tickets etc) The eligibility existence of the Service Provider does not examine the purchase. The event organizer is entitled to through the security service to check whether the wiew Admission is authorized to use a special ticket. The entry may be refused as long as the right of use does not justify the price of admission wiew. When it disallows these reasons, the ticket purchaser, and the entrance fee is not entitled to compensation wiew. 7. In some cases Tickets entitle them to visit only certain areas within the event.
7. Everyone at the event can only be visited at your own risk. While the Event Organizer will do its best to secure the event execution, the Service Provider shall not be liable for any visitors to behave irresponsibly because. During intoxication, drugs or other mind-altering drug effect either in addition to the presentation of events is still valid entrance ticket for visitors.
8. The event picture and sound recording can be made on which visitors may be recorded in the event; Event visitors may therefore did not support nor any claim to the Service.
9. The conditions of participation, institutional policy of the event and the venue for the event, the Security Service and other law enforcement agencies have violated the instructions to remove the Visitor to the Event Organizer safe conduct of event, and to ensure the smooth Visitors staying in the Event of fun. In case of exclusion of these reasons can not be required by the Service Provider to compensation.
10. The majority of Events Event Organizer reserves the right to performing artists, actors, artist, etc. person of the cast or the Rendez badges on appropriate changes.
11. For outdoor events held in the Event Organizer you have the opportunity to announce a reserve event day (per day).
